Kent SEND Information Report

Dear parents and carers,

The aim of this Information Report is to explain how we implement our SEND policy. In other words, we want to show you how SEND support works in our school.

As educational professionals, we are all working towards the ultimate goal of growing independent young people as they prepare for adulthood. All provision and support we provide is working towards achieving the Kent Children and Young People (CYP) Outcomes Framework:

If you want to know more about our arrangements for SEND, read our SEND policy alongside this Information Report.

You can find our SEND policy on our website [SEND Policy 24-25](#).

Note: If there are any terms we've used in this information report that you're unsure of, you can look them up in the Glossary at the end of the report.

Kent SEND Information Report

1. What types of SEND does the school provide for?

Our school provides for pupils with the following needs (as outlined in the SEND Code of Practice 2015):

Often you will find that children's needs overlap and are rarely confined to one area of need, which is why it is important to gain a wholistic overview of your child.

More information about the Areas of Need can be found in the Special educational needs and disability code of practice: 0 to 25 years (link below).

[SEND Code of Practice January 2015.pdf \(publishing.service.gov.uk\)](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/262322/SEND_Code_of_Practice_January_2015.pdf)

2. Which staff will support my child, and what are their key responsibilities?

At Cliftonville Primary School and for supporting the needs of pupils high-quality training to ensure that meet a wide range of pupil needs.

pre school, all staff are considered responsible with SEND. Our staff are committed to regular, they have the knowledge and skills to better

Below outlines key staff who will be supporting your child. *Please note that this list is not exhaustive.*

Our Special Educational Needs and Disabilities, or SEND team

Our SENDCO is Mrs Paula Standen

She has over 10 years experience in this role. She is a qualified teacher.

She achieved the National Award in Special Educational Needs Co-ordination in 2015

Assistant SENDco – Mrs Charlotte Crowther. She is a qualified teacher. She will finish her NPQ SENCo award in April 2026

Assistant SENDco – Mrs Kerry Beech. She is a qualified teacher. She will end her NPQ SENCo award in April 2026

Class/subject teachers

All of our teachers receive in-house SEN training, and are supported by the SENDCO to meet the needs of pupils who have SEN.

AET training, completed by Thanet Inclusion Support Service. TISS

Language through colour training, and phonological awareness completed by Speech and language therapist.

Training received by staff and shared include Makaton, Attention Autism, Cued Articulation, Specific literacy difficulties, Fizzy, Precision teaching and Sensory Circuits.

Teaching assistants (TAs)

We have a team of 48 TAs, including number of higher-level teaching assistants (HLTAs) who are trained to deliver SEN provision. This also includes a number of TAs that provide individualised support.

We have number of teaching assistants who are trained to deliver interventions such as Lego Therapy, Emotional well being, BRP, Precision teaching and specific language support.

Kent SEND Information Report

In the last academic year, TAs have been trained in Makaton, Attention Autism, Cued articulation and a number of strategies to support language.

External agencies

Sometimes we need extra help to offer our pupils the support that they need. Whenever necessary we will work with external support services to meet the needs of our pupils with SEND and to support their families. These may include:

- Child and adolescent mental health services (CAMHS)
- Education welfare officers
- Educational psychologists
- GPs or paediatricians
- NELFT practitioners
- Occupational therapists
- Physiotherapist
- Therapeutic practitioners
- Behaviour coaches
- Safeguarding services
- School Liaison Officer
- School nurses
- SEND Inclusion Advisor
- Specialist Teacher Service
- Speech and language therapists
- Specialist nurses

Kent SEND Information Report

3. What should I do if I think my child has SEND?

Phase 1	If you think your child might have SEND, raise your concern with the school so that the SENCO is aware. Please email your child's Phase Leader or the SEND department. Email addresses can be found here Contact email addresses
Phase 2	We will meet with you to discuss your concerns and try to get a better understanding of what your child's strengths and difficulties are. Together we will decide what outcomes to seek for your child and agree on next steps. We will make a note of what's been discussed and add this to your child's record.
Phase 3	We will implement the agreed strategies and monitor these over an agreed period of time. These are likely to be universal strategies set out in the mainstream core standards. A copy of this can be found here: https://www.kelsi.org.uk/_data/assets/pdf_file/0005/117257/Special-educational-needs-mainstream-core-standards-guide-for-parents.pdf. This will initiate the 'Graduated Approach' where support will be continually reviewed. See next page for more details.
Phase 4	If we decide that your child needs SEND support, we will formally notify you and your child will be added to the school's SEND register. They will receive additional support and this will be reviewed using the assess, plan, do, review model.

Kent SEND Information Report

4. What happens if the school identifies a need?

The same process is followed if a concern is raised by the school.

All our class teachers are responsible for the monitoring of all pupils who have been identified as having SEND. They also review those who are not making the expected level of progress in their schoolwork or socially. This might include difficulty reading, writing and with number work.

If the teacher notices that a pupil is having difficulties, they try to find out if the pupil has any gaps in their learning. If they can find a gap, the school will provide appropriate support. Pupils who don't have SEND usually make progress quickly once the gap in their learning has been filled.

If the pupil is still finding it difficult to make the expected progress, the teacher will talk to the SENCO, and will contact you to discuss the possibility that your child has SEND, and the school will follow the graduated approach (see previous page).

Kent SEND Information Report

5. How will the school measure my child's progress?

We will follow the 'graduated approach' to meeting your child's SEND needs.

The graduated approach is a 4-part cycle of **assess, plan, do, review**.

Assess	If your child is not making the expected level of progress, we will make an assessment to find out what strengths and difficulties your child has. We will ask for you and your child's input, as well as getting help from external professionals where necessary.
Plan	In discussion with you and your child, we will decide what outcomes we are hoping to achieve. We will make a plan of the support we will offer your child to help them meet those outcomes. We will make a record of this and share it with you and all relevant school staff.
Do	We will put our plan into practice. The class teacher, with the support of the SENCO team, will be responsible for working with your child on a daily basis, and making sure the support we put in place is having the impact we intended.
Review	We will assess how well the support we put in place helped the pupil to meet the outcomes we set. We will use our improved understanding of your child's needs to improve the support we offer; this may mean the Plan, Assess, Do, Review cycle continues.

6. How will I be involved in decisions made about my child's education?

We will provide annual reports on your child's progress.

A member of staff who knows your child well will offer to meet you 3 times a year, to:

- Set clear outcomes for your child's progress
- Review progress towards those outcomes
- Discuss the support we will put in place to help your child make that progress
- Identify what we will do, what we will ask you to do, and what we will ask your child to do

A member of the SENCO team may also attend these meetings to provide extra support.

We know that you're the expert when it comes to your child's needs and aspirations. So, we want to make sure you have a full understanding of how we're trying to meet your child's needs, so that you can provide insight into what you think would work best for your child.

We also want to hear from you as much as possible so that we can build a better picture of how the SEND support we are providing is impacting your child outside of school.

If your child's needs or aspirations change at any time, please let us know right away so we can keep our provision as relevant as possible.

If you have concerns that arise between these meetings, please contact your child's teacher, Phase Leader or the SEND department.

Email addresses can be found here [Contact email addresses](#)

7. How will my child be involved in decisions made about their education?

The level of involvement will depend on your child's age and individual needs. We recognise that no two pupils are the same, so we will decide on a case-by-case basis, with your input.

We may seek your child's views by asking them to:

- Attend meetings to discuss their progress and outcomes
- Discuss their views with a member of staff who can act as a representative during the meeting
- Complete a pupil voice

8. How will the school adapt its teaching for my child?

The school's accessibility plan can be found on our website by clicking here [Accessibility Plan 24-27](#)

Your child's teachers are responsible and accountable for the progress and development of all the pupils in their class.

High-quality teaching is our first step in responding to your child's needs. We will make sure that your child has access to a broad and balanced curriculum in every year they are at our school.

We will adapt our approaches to how we teach to suit the way the pupil works best. There is no 'one size fits all' approach to adapting the curriculum, we work on a case-by case basis to make sure the adaptations we make are meaningful to your child and are guided by the Mainstream Core Standards in the first instance.

These adaptations may include:

- Adapting our approaches, for example, giving longer processing times, pre-teaching of key vocabulary, reading instructions aloud, etc.
- Adapting our resources and staffing
- Using recommended aids, such as laptops, coloured overlays, visual timetables, larger font, etc.
- Teaching assistants or support staff will support pupils appropriately depending on their presentation of need
- Scaffolding lesson materials

We may also provide the following interventions:

- These include: language groups, 1:1 Speech and Language support, Better Reading Partnership, emotional support programme, play therapy, social skills groups, Clever Hands, Fizzy/Beam, Literacy Gold, Lego Therapy, Attention Autism, Precision Teaching, Sensory Circuits and bespoke interventions in line with External agency recommendations.

These interventions are part of our contribution to Kent County Council's local offer.

9. How will the school evaluate whether the support in place is helping my child?

We will evaluate the effectiveness of provision for your child by:

- Reviewing their progress towards their goals each seasonal term
- Reviewing the impact of interventions once completed
- Using pupil questionnaires
- Monitoring by the SENCO team
- Using personalised plans to measure progress
- Holding an annual review (if they have an education, health and care (EHC) plan)

10. How will the school ensure my child has appropriate resources?

It may be that your child's needs mean we need to provide additional resources such as:

- Additional resources to support their learning
- Adaptations to in class support
- Further training for our staff
- External specialist expertise

Where appropriate, we will consult with external agencies to get recommendations on what will best help your child access their learning and use our best endeavours to ensure these are supplied.

11. How will the school make sure my child is included in activities alongside pupils who don't have SEND?

The expectation is that all schools pupils. It may be necessary for some pupils a broad and balanced curriculum.

providing an inclusive provision for all to receive interventions in addition to

All of our extra-curricular activities and school visits are available to all our pupils, including our before and after-school clubs.

All pupils are encouraged to go on our school trips and take part in special events like “ Roman Day”.

All pupils are encouraged to take part in sports day and school plays

No pupil is ever excluded from taking part in these activities because of their SEN or disability and we will make whatever reasonable adjustments are needed to make sure that they can be included.

12. How does the school make sure the admissions process is fair for pupils with SEN or a disability?

School contacts parents for a meeting before the pupil starts, this is to put any requirements in place.

KCC will consult school for pupils with an EHCP. When placement is agreed, meetings between parents, professionals and school will take place prior to a start date to ensure the correct support is arranged.

When oversubscribed, the school's policy is to take Looked After Children first followed by those with medical needs.

13. How does the school support pupils with disabilities?

We ensure all our pupils are treated equally.

See Accessibility Plan for more information [Accessibility Plan 24-27](#)

You're disabled under the Equality Act 2010 if you have a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on your ability to do normal daily activities.

14. How will the school support my child's mental health and emotional and social development?

We provide support for pupils to progress in their emotional and social development in the following ways:

- Pupils with SEND are encouraged to be part of all pupil leadership teams.
- We have a variety of interventions aimed at supporting social and emotional needs.

We have a 'zero tolerance' approach to bullying as outlined in our Anti-Bullying policy on our school website [Anti-Bullying Policy](#)

15. What support is in place for looked-after and previously looked-after children with SEND?

Julie Mayhew - jmayhew@cliftonvilleprimary.co.uk is the designated teacher for looked-after children.

Julie Mayhew will work with our SENCO team, to make sure that all teachers understand how a looked-after or previously looked-after pupil's circumstances and their SEND might interact, and what the implications are for teaching and learning.

Pupils who are looked-after or previously looked-after will be supported much in the same way as any other child who has SEND. However, looked-after pupils will also have a personal education plan (PEP). We will make sure that the PEP and any SEND support plans or EHC plans are consistent and complement one another.

16. What support will be available for my child as they transition between classes or settings or in preparing for adulthood?

Between years

To help pupils with SEND be prepared for a new school year we:

- Ask both the current teacher and the next year's teacher to attend final meeting of the year when the pupil's SEND is discussed
- Schedule lessons with the incoming teacher towards the end of the summer term

Between schools

When your child is moving on from our school, we will ask you and your child what information you want us to share with the new setting.

Between phases (for primary schools)

The SENCO of the secondary school will be invited into our school for a meeting with one of our SEND team. They will discuss the needs of all the pupils who are receiving SEND support.

Pupils will be prepared for the transition by:

- Practising with a secondary school timetable
- Learning how to get organised independently
- Plugging any gaps in knowledge

17. What support is available for me and my family?

If you have questions about SEND, or are struggling to cope, please get in touch to let us know. We want to support you, your child and your family.

Kent SEND Information Report

To see what support is available to you locally, have a look at Kent County Council's local offer. Kent County Council publishes information about the local offer on their website:

[Kent County Council SEND](#)

Our local special educational needs and disabilities information advice and support services (SENDIASS) organisations are:

Link to all [local SENDIASS organisations](#) in the South-East area.

Local charities that offer information and support to families of pupils with SEND are:

Link to local charities supporting families of pupils with SEND, including contact details.

[I Ask](#)

National charities that offer information and support to families of pupils with SEND are:

- [IPSEA](#)
- [SEND family support](#)
- [NSPCC](#)
- [Family Action](#)
- [Special Needs Jungle](#)

18. What should I do if I have a complaint about my child's SEND support?

Any complaints for statutory SEN go to the local authority. Complaints about in school SEN provision are part of our complaints policy

[Complaints Policy -2023-2025](#)

Complaints about SEND provision in our school should be made to the **Head Teacher** in the first instance. They will then be referred to the school's complaints policy.

If you are not satisfied with the school's response, you can escalate the complaint. In some circumstances, this right also applies to the pupil themselves.

To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the [SEND Code of Practice](#).

If you feel that our school discriminated against your child because of their SEND, you have the right to make a discrimination claim to the first-tier SEND tribunal. To find out how to make such a claim, you should visit: <https://www.gov.uk/complain-about-school/disability-discrimination>

You can make a claim about alleged discrimination regarding:

- Admission
- Exclusion
- Provision of education and associated services
- Making reasonable adjustments, including the provision of auxiliary aids and services

Kent SEND Information Report

Before going to a SEND tribunal, you can go through processes called disagreement resolution or mediation, where you try to resolve your disagreement before it reaches the tribunal.

<https://www.kelsi.org.uk/special-education-needs/special-educational-needs/mediation-and-resolution>

20. Glossary

- **Access arrangements** – special arrangements to allow pupils with SEND to access assessments or exams
- **Annual review** – an annual meeting to review the provision in a pupil's EHC plan
- **Area of need** – the 4 areas of need describe different types of needs a pupil with SEND can have. The 4 areas are communication and interaction; cognition and learning; physical and/or sensory; and social, emotional and mental health needs.
- **CAMHS** – child and adolescent mental health services
- **Differentiation** – when teachers adapt how they teach in response to a pupil's needs
- **EHC needs assessment** – the needs assessment is the first step on the way to securing an EHC plan. The local authority will do an assessment to decide whether a child needs an EHC plan.
- **EHC plan** – an education, health and care plan is a legally-binding document that sets out a child's needs and the provision that will be put in place to meet their needs.
- **First-tier tribunal/SEND tribunal** – a court where you can appeal against the local authority's decisions about EHC needs assessments or plans and against discrimination by a school or local authority due to SEND
- **Graduated approach** – an approach to providing SEND support in which the school provides support in successive cycles of assessing the pupil's needs, planning the provision, implementing the plan, and reviewing the impact of the action on the pupil
- **Intervention** – a short-term, targeted approach to teaching a pupil with a specific outcome in mind
- **Local offer** – information provided by the local authority which explains what services and support are on offer for pupils with SEND in the local area

Kent SEND Information Report

- **Outcome** – target for improvement for pupils with SEND. These targets don't necessarily have to be related to academic attainment
- **Reasonable adjustments** – changes that the school must make to remove or reduce any disadvantages caused by a child's disability
- **SENCO** – the special educational needs co-ordinator
- **SEN** – special educational needs
- **SEND** – special educational needs and disabilities
- **SEND Code of Practice** – the statutory guidance that schools must follow to support pupils with SEND
- **SEND information report** – a report that schools must publish on their website, that explains how the school supports pupils with SEND
- **SEND support** – special educational provision which meets the needs of pupils with SEND
- **Transition** – when a pupil moves between years, phases, schools or institutions or life stages
