

Meet your new teacher

Hello children,

My name is Miss Wass and I am going to be one of your new teacher's in September. I am really looking forward to meeting and getting to know you. Here are three fun facts about me so you know me a little bit before we start back.

1. I have a dog called Sula. We rescued her from a country called Romania, in October 2020. She loves chicken, sleeping and eating her favourite chew in the evening, alongside a belly rub!
2. My favourite books are the Harry Potter series. I loved reading about the different magical adventures Harry, Ron and Hermione got up to.
3. I have a one-year-old daughter who loves animals! We enjoy going to Wingham Wildlife Park where her favourite animal are the flamingos.

Enjoy the summer holidays and I look forward to seeing you in September,

From Miss Wass

Meet your new teacher

A big hello from.... **Mrs Meades**

I am so excited to tell you that, in September, I will be one of your teachers. What can I tell you about me? I have been teaching at Cliftonville school for over twenty years, and I am so excited to be part of the year 3 team. I love living by the coast, going to the beach and having a swim in the sea. In the school holidays, I read lots of books. To keep fit, I go on long walks, go the gym and sometimes I even run! I like to make my lessons exciting (I am very energetic!). We will work hard but it will be fun too. I will always explain things clearly to make sure you understand exactly what to do. I am kind and patient and absolutely love being a teacher. I cannot wait to meet you all - we will have a wonderful year.
