Dear Parents and Carers,

As the school year comes to an end, I wanted to let you know that I will be leaving Cliftonville Primary after 13 wonderful years, including the last 7 years as Assistant Headteacher leading maths. I will be continuing to champion maths at Royal Harbour Academy.

It has been a privilege to work with your children and be part of such a supportive school community. My proudest achievement has been seeing so many children develop a love of maths, fostering enthusiasm, confidence and a passion for the subject. Although it makes me feel incredibly old, seeing former Cliftonville children studying engineering and pursuing careers in mathematics-related fields fills me with immense pride and joy.

I will leave with many happy memories and wish all our children and families every success for the future.

Alex Michael
Assistant Headteacher
