Dear Parents and Carers

As you know children (and adults) are not permitted to ride bikes and scooters on the school site. This is to ensure the safety of the whole school community.

Unfortunately, we continue to have accidents occurring from the use of scooters and bikes. Often these have involved younger children and those with disabilities. There have been several accidents since that start of this term.

I would, therefore, ask you again to ensure that all bikes and scooters are pushed on site. Continued riding of bikes and scooters on site will result in those children not being allowed to bring their bike or scooter to school.

Staff will be reinforcing this message in school. This is not about spoiling their fun; this is about keeping people safe.

Thank you in advance for your support with this matter,
