Dear Parent/Carer,

Minecraft & Minecraft Story Mode

We have recently experienced some behaviour issues in Year R that are potentially stemming from children playing Minecraft/Minecraft Story Mode.

It is an opportune moment to ask you to be mindful of the age ratings for these versions of the game as listed below.

Minecraft

E10+

Although the basic games may appear innocent, the ability for other users to create inappropriate scenarios/worlds and share these are of concern. As difficult as it is to shield children from potential harm through gaming, it is important to remember the four Cs of online safety.

Content – Contact – Conduct – Commerce (usually, reward chests/pouches/boxes).

If you would like any information regarding this or any other aspect of online safety, please ask for me at the school office or ring the school number 01843 227575.

With regards,

Graham Clayson
