

December 2025

Dear Parents/Carers,

This term we have been delighted to have a visit from Meg and Hughey from Institute studios who held assemblies and a singing workshop with Year 6. The children learnt to sing 'Mad World', how to use the voices effectively and even had a go at conducting each other (with a bit of help from Meg!).

This week's update from Smartphone phone free childhood is a brilliant link to some great tech toy options that 'spark curiosity' but not addictive watching and scrolling. Take a look at the link here for some great Christmas ideas. [The good tech gift guide | Journal | Smartphone Free Childhood](#)

Our Healthy Habits Champions have been busy shortlisting all the wonderful posters that have been sent in. Winners will be presented with prizes in the celebration assemblies at the end of the term.

Happy Healthy Habits!

Mrs Frith (Assistant Head teacher)
