Lovely comments you have said

- My Son is anxious and relies heavily on his TA... who I know is a 1:1 not technically a class TA. I am super grateful to her as she offers my son constant support, care and comfort. The TA's are God Sends!
- I would like the school to be able to offer more available after school clubs for pupils to choose and successfully accepting for all the weekdays if possible. My son loves the school and really enjoys every single day. He loves the hour after school club and if he could join a club for every single day I would be as happy as him! I am so pleased he feels school as a second home, where he plays with friends, learns new things, lovely people and teachers around, he develops a nice personality, and he is interested to learn everything in there! He is happy and I am grateful! Thank you for everything you are doing for all of your children in that school!!!
- I'm very happy with everything about the school and my child's progress and happiness
- I am very happy with the school
- Very thankful for all the help myself and my child have received
- Lovely school. Any problems we have had have been dealt with really quickly. I have one child in Yr 6 and one in Yr 2. Both children I feel have been well supported and teachers approachable. I feel as parents we are kept up to date. Office staff are very welcoming and easy to talk to/communicate with.

To make improvements	
You said	We did...../ will do.....
Communications and payment methods in one place	This is being worked on currently. From September 2026, everything will be within Arbor.
More sports, clubs and trips and events eg Turner Contemporary being on our doorstep and take the children there.	We will review all the trips and visits that we do across all year groups and have this available to parents via our website. For all sports news about tournaments and events are highlighted in the Headteachers Newsletter in T2,4 and T6. The cost of trips and the use of coaches is prohibitive, and we have been very proactive in securing funding to help with transport costs. Links for local (walkable) trips and visits are sought which obviously helps us keep costs down.

	If parents have any links or suggestions, please do contact the school- we are always open to seeing whether these maybe useful/ doable.
