 Animal talk medicine. ✓✓ Is it your dream to talk to animals? Well if you take this medicine then you can talk to animals for forty-eight hours but if you take too much then you will turn into a animal! You will need... Any kind of animal hair, Two cups of water, A unicorn's horn, a bucketful of milk, eight cats whiskers, a bowl, a knife, a blender, a spoon and a measuring cup. ✓1. First, take your kind of animal hair, your knife and your bowl and chop up the animal hair, put it in the bowl. ✓2. Secondly, pour in two cups of water into the bowl. ✓3. Next, get both your eight cats whiskers and unicorn's horn and blend them together using your blender and put the blended bits into the bowl. ✓4. After, get your bucketful of milk and pour into the bowl. ✓5. Finally, mix it together with your spoon for nine minutes and put it in your cup and enjoy. (Do not drink too much.) ✓✓ Super!
